

If you are concerned
about our nation's lack of a
Comprehensive Energy Policy and
outraged over the Gulf Oil Spill

please join

**Jason Parson and Donna Mandelbaum
of the Environmental Defense Action Fund**

as we welcome

**Bob Berkebile of BNIM
Richard Martin, Environmental Defense Action Fund
Jill DeWitt, Audubon Missouri**

to discuss how we must work to
compete for the clean energy jobs of today and tomorrow,
to reduce our dependence on foreign oil,
and to cut the pollution that harms our families
and the future for our children and grandchildren.

**Tuesday, June 15
11:30am - 1:00pm**

Lunch to be served, followed by Networking & Discussion

Cosentino's Market Downtown-Mezzanine Level
Parking Garage Level 2. Entrance off of Walnut Street
10 East 13th Street
Kansas City, MO 64106
